Congratulates DR. ANGELIE ZAMORA!

Arlington Dentist Receives Prestigious AGD Mastership Award

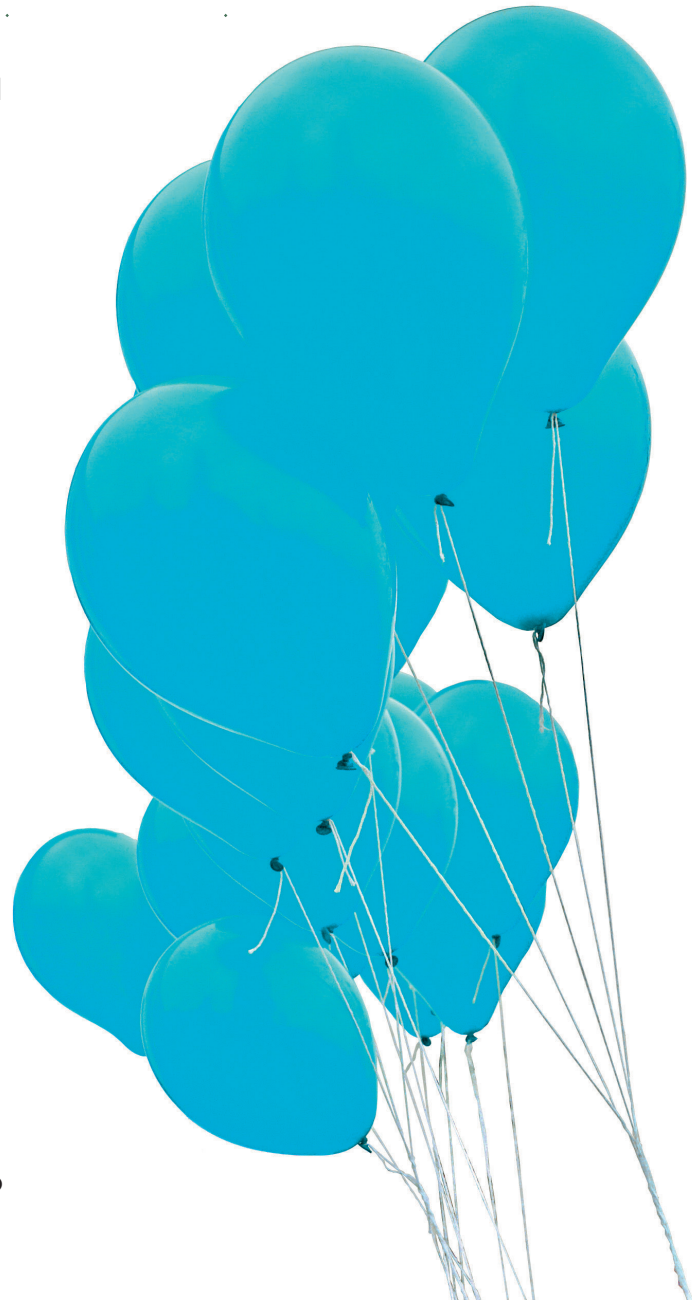

The Texas Academy of General Dentistry (Texas AGD) is pleased to announce that Angelie Zamora, DDS, MAGD of Arlington, Texas, received the association's Mastership Award during the Academy of General Dentistry (AGD) 2017 annual meeting on July 15, 2017, in Las Vegas.

The AGD Mastership Award is the AGD's highest honor and one of the most respected designations within the profession. To earn this award, Dr. Zamora completed 1,100 hours of dental continuing education. Texas AGD Masters understand that providing beautiful smiles and excellent oral health for their patients are the result of going above and beyond basic requirements.

Dr. Zamora graduated from the Baylor College of Dentistry in 1995. Originally from Manila, Philippines, Dr. Zamora now resides in Irving, Texas with her husband Alex.

She demonstrates her desire for excellence as a member of the AGD, ADA, AACCP, and the Academy of Laser Dentistry. Recently Dr. Zamora has also completed a Comprehensive Implant Residency Program in Birmingham, Alabama as well as Master course at Center of Aesthetic Restorative Dentistry in Dallas, Texas.

The Texas Academy of General Dentistry's mission is to help general dentists to succeed. It is the only association that exclusively represents the needs and interests of general dentists who are the primary care providers for patients of all ages and are responsible for the diagnosis, treatment, management, and overall coordination of services related to patients' oral health needs. Its nearly 2,700 members partner together to help guide the journey of Fellowship, Mastership, and Life Long Learning in order to provide quality dental care in general practice.
